by AMMEX[®]

INDUSTRIAL IVORY LATEX GLOVE

With just the right combination of strength, durability, comfort, and fit, these 4-mil gloves are thick enough to protect your hands while providing the dexterity and tactile sensitivity you require. Latex is highly elastic, so it conforms to the contour of your hand for unmatched comfort.

POWDER FREE

Won't interfere with adhesives or inks.

TEXTURED/MICRO-ROUGHENED

For a superior grip, wet or dry.
